40th PUBLIC SALE OF
RARE COINS

To Be Sold by Mail Auction
to the Highest Bidder Without Reserve
WEDNESDAY, JUNE 20, 1928, BY

M. H. BOLENDER

P. O. Box 34

Orangeville, Illinois

To Collectors—I shall continue my monthly mail auction sales during all the summer months. Keep on my mailing list by sending bids, or if you find nothing to bid on, request next list simply by a postal card. You will find a great variety of numismatic material in this sale, some choice and rare items, and will be well paid for giving the contents of this sales list your careful perusal.

The usual charge of 5% will be made for executing your bids, and for packing and sending out material. No charge made on anything not actually purchased. This fee is very low for the superior service I expect to give you.

Collectors of experience find that not all dealers classify coins alike.

My classifications and descriptions are based on knowledge gained through 15 years of earnest dealing in coins. I have endeavored to refrain from over-rating the quality of a lot, which is so common. I believe that the word "RARE" should not be over-worked.

Please remember my strong guarantee. If goods are not satisfactory (you are to be the judge), you are at liberty to return them without any danger of offending.

New bidders should send references or a deposit of at least 25 per cent of bids.

Coins will be bought as much below your bids as possible, as this is competitive bidding carried out in good faith.

If you do not know how much to bid on any item, write me and I shall be glad to inform you as to its value.

Receipted bills are not sent out after your remittance as this is unnecessary. Your check, draft, or money order itself is a receipt and we ask you to pay only once. However, if a 2-cent stamp is enclosed we will send receipt.

Some new unsolicited testimonials recently received:

"I am enclosing my check for March sale purchases. I am very much pleased with these coins, and in fact, I think anyone can depend on the condition of your coins being as they are described. It is a pleasure to buy coins from a dealer I can depend on."

"I have today received what you have sent me from your April sale and must say that I am more pleased with today's receipts than ever before. They seemd to me an extraordinary value."

"I am more than pleased with the coins. I will say that you do no over-rate the condition. Do not forget me when you hold your next auc-

tion as I will know better how to bid, knowing full well the condition the coins will be in."

Let me sell your collection or duplicates in these sales. Quick returns and satisfactory results are realized. My sales are held regularly each month. Write for terms.

Please bid by the piece unless stated to bid for the lot.

AN AUCTION SALE 50 YEARS AGO

What a lot of fun to look through the coin catalog of an auction sale held over 50 years ago! The sale held in 1875 lasted five days and was conducted by Messrs. Bangs, Merwin & Co. in New York. Edward Cogan was the cataloguer.

Many of the foreign and anncient coins sold as well as they do today although a very fine 9½ ounce Roman aes did sell for \$9. But how would you like to buy early \$10 gold pieces at \$12 to \$16 uncirculated? One of the rarest of these was an extremely fine 1798 over 97. It sold at \$16 and at a recent auction sale one not as fine brought \$127. An 1815 half eagle brought \$85. Very fine and uncirculated early quarter eagles sold from \$3 to \$5. An 1804 dollar sold for \$325 and 1792 Washington coin in gold for \$500. 1799 cent very good went at \$12.50. Choice originals of the rare half cents sold at \$6 to \$8. Plenty of 1652 Pine Tree coins at less than \$5 in those days.

Watch the next fifty years!
